

## Home Credit Market Investigation

The two administrative timetables published below on 2 July are both indicative and have no statutory basis. Any revision to the timetables will be published on this website.

### **Administrative timetable for the making of the Home Credit Market Investigation Order\***

30 November 2006	Final report published
February–May 2007	Discussion of draft order with main parties
29 June 2007	Publication of draft order for 30-day public consultation
Mid August 2007	Second round of public consultation (if necessary)—15 days
August or early September 2007	Making of order

\*The CC currently anticipates that Home Credit remedies will be implemented wholly or predominantly by order rather than undertakings.

### **Administrative timetable for the tender process for choosing a website operator to run the price comparison website†**

February 2007	Tender discussion document published by CC
May – June 2007	Consultation with interested parties on tender discussion document
Late June 2007	Engagement of consultants to manage accreditation of website operator
September – October 2007	Publication of invitation to tender by CC
October – November 2007	Evaluation of tender responses and accreditation of website operator

†The price comparison website remedy is outlined in Section 9 of the CC's final report.
